Motion for an extension."*

*Re: Prince A. Marsh (Prose) V. Delaware State University, ET, At Civ.  
05.87(JJF)*

*Dear Honorable, Farman,*

*Hoping this Letter finds you in the Highest of well being. I am not educated in the practice of Law. Therefore, I submit this letter and seek to convey to the best of my ability. I spoke to the attorney for Delaware State University on September 1, 2005 after receiving a message he had called August 31, 2005 in the evening. During the conversation, Mr. Frank Nodd inquired if I was willing to extend his client Delaware State University an extension to reply I informed him that I was not willing to do so. I wanted to bring this to your attention. Furthermore, I oppose granting them an extension for they have had more than sufficient time to retain counsel. This is the same type of carelessness I have continued to experience in my attempts at communicating and seeking to have them acknowledge my final appeal prior to filing this case in court.*

*Extending them additional time further delays this case, my life my ability to continue my education. Although I submitted an injunction seeking to return to school while this case is before your court. I thank you for your time concerning this matter.*

*Mr. Prince Allen Marsh*
